

DI Deepwood Industries

Growing Business Through Partnerships

Pieces of Imagination Dog Treats

Pieces of Imagination is the in-house dog treat business of the Josef and Christine Roman (JCR) Imagine Program. The individuals in the program complete each step of making the dog treats. This is just one of the job opportunities that individuals participate in to increase their skill-building techniques for employment. All program participants are employees of Deepwood Industries.

Pumpkin Peanut Butter treats: \$4.00/4 oz. bag

Peanut Butter Banana treats: \$4.00/5 oz. bag

Cash or checks made out to Deepwood Industries
